

Admissions Checklist

- Make an inquiry and submit Cognivite Testing and Standardized Achievement Testing to the Director of Admissions. Any other diagnostic evaluation reports completed in the last three years should be submitted. This may include speech/language testing, occupational therapy testing, or testing in any area that impacts your child's ability to learn. IEP reports should be submitted.
- Attend an Open House or tour Riverside School.
- Complete the online application that includes a \$100 application fee. Financial Aid information can be entered at this time.
- Print the Teacher Evaluation Form and ask your child's current teacher to complete it and mail it directly to Riverside School. If other teacher references are available, please ask them to be sent.
- Schedule a day for your child to visit Riverside School.
- Complete and return Release Form Information.
- Complete and send copies of the Release of Information Form to current school of attendance and other applicable service providers (speech and language therapist, psychologist, occupational therapist, physicians, etc.).
- Submit a copy of School Entrance Health Form.
- Student's photograph (optional).
