**Reach Out and Read** is a nationwide nonprofit organization that promotes early literacy by making books a routine part of pediatric primary care. Partnering with pediatricians and family doctors to provide free, developmentally and culturally appropriate books to children and parental guidance about the importance of reading with their young children, RORVA gives priority to clinics serving children in low-income communities, where enhancing literacy skills is critical. The Riverside School 2019 collection will benefit the Northside Medical Center in Richmond.
