

Birthday Book Club Riverside School 2019-20

I like listening to Audio books, it helps me learn new vocabulary!

All students may participate.

My family celebrated my birthday by donating a book through the Birthday Book Club

Birthday Book Club builds the library collection and gives us more voice and choice

Riverside School Birthday Book Club

Students choose and donate a book and/or a book on CD to the library in celebration of their birthday. Complete the form and return by September 30th. We will help to match a title to your child's interest and send home suggested titles. In addition students can help bring the Virginia Readers' Choice program to Riverside by choosing a VRC title. Links to wish lists will be sent home. Purchase can be made directly by the family, or an order can be placed through the school.

Contact the librarian, Tracey Cain for more information (tcain@riversideschool.org)
