

Permission Slip for Riverside School Robotics Club 2020-21

My child, _____, is interested in participating in the Robotics Club at Riverside School.
_____ is in the _____ grade and would be committed to attending each session.

We understand that only **nine** students will be able to participate and team spots will be filled based on student interviews scheduled for Thursday, Oct. 15 during school hours. The club sponsor and an administrator will conduct the personal interviews. Students will be notified of their time slot on Wednesday, Oct. 14.

I will help prepare my child for this experience by rehearsing both why she/he wants to participate on the team as well as what strengths/interests she/he would bring to the club.

I understand the Robotics Club fee is \$150 and will be payable upon confirmation of participation. Students and parents will be notified on Friday, Oct. 16 of club member status. Payment can be made prior to the first meeting.

I understand that if my child is selected to be in the club, I will receive additional information about Covid-19 precautions and the end-of-season event.
