EXTRACURRICULAR ACTIVITIES

ART CLASS

Art Club at Riverside offers students the chance to explore the arts in a creative and supportive environment outside of the school day. Art Class is conducted at various times throughout the year, features many types of artmaking, design, drawings, craftsmanship, and is led by award-winning Studio Arts teacher Christy Lantz.

BASKETBALL

Basketball is a popular winter sport at Riverside. The season typically includes one practice and one scrimmage each week. Practices focus on the fundamentals of the sport including dribbling, shooting, running, passing, and jumping. Basketball also helps students learn the value of teamwork and working together to achieve a goal. Basketball is divided into two seasons with a grouping for older and younger students.

SOCCER

Soccer helps students learn the value of teamwork, agility, and the benefit of staying active. Riverside soccer features accompanying practices as well as games. The games are against students of similar age groups in the Richmond area. Soccer is played in the fall and spring and decisions are based on the number of students that can participate in each season.

STUDENT COUNCIL

Riverside is represented by an elected Student Council, which helps create and facilitate various activities that allow everyone to show off their school spirit and make a difference in the community. By taking part in Riverside spirit days, service events, and special after school activities, students have an opportunity to give back and enjoy a sense of camaraderie.
